## Application

### Alcohol and Drug-Free Philosophy

The AB program promotes an alcohol/drug-free philosophy. This prohibits unauthorized alcohol consumption or illegal drug use by anyone, regardless of age, during an Alternative Break trip. Team members who do not adhere to this policy will be asked to leave the program and return to their place of residence at their own expense. Support of this policy by all involved is essential for a safe and socially aware Alternative Break. The Community Service Center endorses the Drug and Alcohol Policy of The University of Alabama.
